*Note: When a holiday falls on a Saturday, it is observed on the preceding Friday. When it falls on a Sunday, it is observed on the following Monday.*

## 2. Online Banking & Mobile App Availability

## 4. ACH Transfer Timing Around Holidays

ACH (Automated Clearing House) transfers follow the Federal Reserve's schedule. The Fed does not process ACH on federal holidays, which affects the timing of external transfers initiated near a holiday.

### Standard ACH timeline (non-holiday):

- Transfers initiated before 3:00 PM ET on a business day: available next business day.
- Transfers initiated after 3:00 PM ET: available in two business days.
- Transfers initiated on weekends: available the following Tuesday (Monday + 1 business day).

### ACH near a holiday - examples:

- Transfer on Wednesday before Thanksgiving Thursday: available Friday (next business day).
- Transfer on the Wednesday before Thanksgiving after 3 PM ET: available the following Monday.
- Transfer on Labor Day Monday: processed Tuesday, available Wednesday.
- Transfer on Friday before a Monday holiday: available Wednesday (two business days).
- Transfer on Christmas Day: processed the following business day.

*Important: If you are expecting a payroll direct deposit or external transfer around a holiday, it may arrive one business day later than usual. Plan accordingly to avoid overdraft. Blossom does not advance holiday-delayed deposits.*

## 5. Bill Pay Timing Near Holidays

Bill payments scheduled for a holiday date will be sent to payees on the next business day. To ensure on-time payment of bills due on or near a holiday, schedule the payment at least two business days before the due date.

- Holiday-dated payments are queued and released the next business day.
- Blossom is not responsible for late fees if payments are scheduled on a holiday.
- Recurring payments falling on holidays are automatically moved to the next business day.
- Expedited bill pay (same-day) is not available on holidays.

## 6. Loan Payments Due on Holidays

If your loan payment due date falls on a federal holiday or weekend, Blossom extends the grace period so that your payment is not considered late if made on the next business day. No late fee is assessed for payments made by the next business day following a holiday.

- Auto-debit loan payments due on a holiday are processed on the next business day.
- Manual payments made on a holiday post to your loan account the next business day.
- Grace period extension applies to mortgage, auto, personal, and credit card payments.
- Business credit lines and commercial loans: check your loan agreement for holiday terms.

## 7. Security Operations on Holidays

Blossom's fraud monitoring and security systems operate 24/7/365. Account lockouts, fraud flags, and security alerts function normally on holidays. However, some manual reviews (hard-lock releases, fraud investigation sign-offs) may be delayed due to reduced staffing.

- Automated fraud detection: always active.
- Automated account lockout and unlock: always available.
- Hard-lock release (requires human review): may take up to 48 hours on holiday weekends.
- Password reset self-service: always available.
- Staff-assisted security actions: available during reduced holiday support hours.
